Dedication

to our parents

Words cannot express our appreciation for the various contributions that our parents have made to the success of our growing years.

To show how much we respect and honor our parents, we wish to dedicate this 1959 Centralian to those parents who have worked so hard to make our school life as enjoyable as it has been.

Principal's Message

This year's CENTRALIAN is like a key. It can unlock golden memories - memories of your youthful years attending high school; as you graduate and make your way in the world, it can help you to keep in touch with the old friends that were left behind. We, here at South Otselic Central, hope you will find time in the future to drop in, renew old acquaintances, and share a few of your memories with us.

Congratulations to the CLASS OF 1960 on your fine yearbook.

Class History

1st stanza: Our first year was certainly an exciting one. The officers of this year were Norma Moon, President; Bill Church, Veep; Donna Roe, Secretary; and Claudia Soule, Treasurer. We were very busy with a box social, a movie, and a dance. We also sold soda pop, and popcorn at the basketball games. It was a "popping" good year!

2nd stanza: In our Sophomore year we were under the leadership of Neal D'Agostino, President; Karry King, Veep; Bruce Upham, Secretary; and Claudia Soule, Treasurer. We had two successful dances, a D-J Hop and a Hobo Hop. Other activities included bakesales, movies, and selling Christmas corsages and beanies made of school colors. Toward the end of the year we chose our class rings and our yearbook company.

3rd stanza: This year we are under the same leadership as last year, except Norma Moon is Veep. Our class rings came and we were all quite satisfied with them. We have had a few bakesales, movies and a D-J Hop with Dan Leonard of WNDR, Syracuse. Our big dance, however, was the Junior Prom. We gained two new students, Janice Marvin and Dewey Hakes, and we lost Jane Feint to Truxton. With the climax of the Junior-Senior Banquet we began to look forward to our own senior year and our class trip.
